Gilgamesh

Love, friendship, sex, family, pride, a flawed ruler, and the search for immortality...Gilgamesh, the oldest book in the world, miraculously preserved on clay tablets 5,000 years ago, has it all.

The story is brought to life by readers from across Houston. It is as vivid and compelling today as we seek “the best ways to live.”

Following the reading and a reception, we invite you to join us at the mudhif to take part in a ritual that bids goodbye to a structure that has come to symbolize hope and the vibrancy of Houston.

FREE ADMISSION

Tue Dec 5, 2023, 7:00pm – 8:00pm

Glasscock School Auditorium

Entrance #8, Rice University

University Blvd and Stockton
